### May 6, 2018: Sixth Sunday of Easter

Do you love God perfectly? Then you love the neighbor perfectly. In the measure that one of these loves increases, the other also increases. Likewise, if one diminishes, the other will soon grow less.

-St. Francis de Sales

#### LOVE ONE ANOTHER

In the Gospel for the Sixth Sunday of Easter we are met with an extraordinary challenge: Jesus commands us to “love one another as I love you” (John 15:12). The letter from John echoes this command. Of course, we are to love those in our family, those we work with, those we like. But the scriptures make clear that we are also to love those we never notice, those we purposely avoid, and even those we are tempted to despise.

In this Sunday’s selection from the Acts of the Apostles Peter shows us how far God’s love extends, and how far our love should extend in response. Peter realizes that God no longer “shows partiality” to the Jews, sharing divine love exclusively with them. Christ has revealed that God’s love extends to all people, and so should ours.

#### TREASURES FROM OUR TRADITION

In ancient Rome, the beautiful month of May was dedicated to the goddess Flora, the patroness of flowers and new life. May 1 was considered the beginning of abundant growth, and a day for public festivals aimed at expelling winter. Even after Christianity took hold, the customs of the pagan feast lingered behind. Long ago, there was a thirty-day devotion to Mary, sometimes called “Lady Month,” which began on August 15. By the eighteenth century, the custom of assigning devotions to months of the year was developing. June, for example, was the month of the Sacred Heart, and October was for the Holy Rosary. Beginning with the Jesuit Order in Rome and spreading throughout the world, May has been celebrated as the month of Mary, the Blessed Mother, for more than two hundred years. That was a welcome remedy to some enduring pagan practices, such as maypole dancing and the crowning of the May Queen. Some historians say that in ancient times the May Queen was actually a human sacrifice. Devoting May to Mary is undoubtedly a better thing to do.

## WE CAN "FIX IT" TOGETHER

### 12TH PLEDGE UPDATE AND REPAIRS COMPLETED

Sunday, May 6, 2018  
Sixth Sunday of Easter

Dear Parishioners,

As a reminder of what has been accomplished since May 2017, the parking lots, paved areas, curbs, and sidewalks of the St. Francis de Sales Campus—including our Church and School—have now been completed. The new siding on the Ministry Center roof has also been installed. Repairs have been made to the Chapel roof on the Church, which began to seriously leak along the south wall of the Chapel during the spring and summer rainstorms. In addition to the Chapel roof, the slanted roof above the back sacristy and Music Room has been fixed. It had been leaking for a number of years. **The next initiative will be the installation of the new heating and air conditioning system for the Ministry Center, scheduled to be done in May.**

**As pledges are made and paid, we will continue to address the remaining projects, which can be found on our parish website. See what this good parish has accomplished already in total pledges and number of donors! At this point in the Campaign, 793 donors helped us reach \$1,245,425 in total pledges. Total pledges paid are \$1,047,648. Balance due is \$197,776. It is not the intention of the Fix-It Campaign to place the parish in debt. As a parish, we spent 9 years paying off the \$3.8 million debt. We will only address the projects as we raise the funds to pay for them.** As Thomas Jefferson advised, "Never spend your money before you have it!" My Grandmother Ryan said the same message in her own way!

For details on the campaign, including the presentation that was shown at Masses as well as the information on Charitable Giving Options, visit our parish website, [www.stfrancislzparish.org](http://www.stfrancislzparish.org). Thank you to those who have already responded with a pledge toward the \$1.7 million goal. St. Francis de Sales has a long history of generous giving. I respectfully ask for the prayers, involvement, and sacrifice of many, if not all, in the parish in making a pledge towards the Fix-It Campaign in addition to the generosity you provide each Sunday offering. **For example, if 1,000 parishioners pledge the suggested amount of \$850 per year for 2 years, we will reach our campaign goal immediately to conclude the projects.** Please, everyone, participate through a prayer and a pledge. All the funds we raise in the Fix-It Campaign stay within the parish.

I want to express my gratitude to Deacon John Sfire, Jason Sfire, and Amie Paige of The Fidelity Group for doing an extensive study of our parish campus, as was presented in the Fix-It Campaign presentation. I have asked the Fidelity Group, under the leadership of Deacon John Sfire and Jason Sfire, to serve as Project Managers of the Fix-It Campaign. I also want to offer my appreciation for the guidance and involvement of Tom Purtell, Chair of the Parish Pastoral Council (PPC), Marty Bush, Member of the PPC; Mike Carlino, Chair of the Parish Finance Council; Doug Samz, Member of the Parish Finance Council; Christine DePrez, Cornerstone Bank Liaison; Laura Angelini, Business Manager; and Pam Lynch, Director of Youth and Young Adult Ministries.

God give you peace and Blessings of Easter of Our Risen Saviour,

Father David F. Ryan, Pastor

Spring 2018

Dear Sisters and Brothers in Christ,

Mother's Day is a day we honor and remember the special women in our lives who have nurtured, loved and shaped us into the people we are today. It is through their unconditional love that we begin to understand the depth of Christ's love for us, and his command to share that love with one another.

On Mother's Day, each of us will have an opportunity to share Christ's unconditional love with the poor and vulnerable through our gift to the Catholic Charities Mother's Day Collection. For Catholic Charities, charity is not just about providing material assistance, but acting with the same love and mercy that Jesus showed to restore people's dignity and give them the hope of a brighter future. Catholic Charities counts on our volunteer and financial support to offer comprehensive programs that get to the root cause of suffering, address multiple needs, and help people rebuild their lives for the better.

Pope Francis has used a powerful image of the Church as "field hospitals." During war, field hospitals are situated right on battlegrounds—close to the wounded who need help. Similarly, as part of the Church in the Archdiocese of Chicago, Catholic Charities 150 service locations are very much like field hospitals, helping those who are suffering, and located in neighborhoods that have sadly become like real battlegrounds, plagued with violence and despair. Catholic Charities program sites are safe havens in desperate areas and their staff and volunteers are truly ministers of mercy, providing help through a hot meal, a bag of food, a place to live, the care of a child or elderly relative, counseling, job training, job placement, or all of these things. Serving nearly one million people each year, Catholic Charities brings Christ's love and mercy to the people and the places that need it most.

Please accept my sincere gratitude for your past support of the Catholic Charities Mother's Day Collection, and please consider being as generous as you can again this year. Contributions can be made during the second collection on Mother's Day, anytime at [www.catholiccharities.net/donate](http://www.catholiccharities.net/donate), or mail your gift to Catholic Charities, 721 N. LaSalle St., Chicago, IL 60654. May God bless you and those you love this Mother's Day and always. With every good wish, I remain

Sincerely yours in Christ,

## VOLUNTEERS NEEDED!

Calling all crafters and prospective volunteers, your help is needed. The Children's Organ Transplant Association (COTA) will be hosting a Craft Fair on October 13, 2018 in Valker Hall in honor of local Lake Zurich teen Matthew Dobson. COTA has helped families such as Matthew's with transplant related expenses and that will continue throughout his life.

We are in great need of volunteers to help in the following areas:

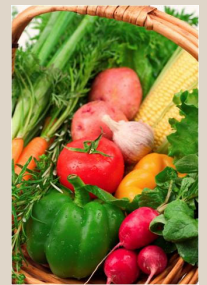

1. Kitchen help to assist with serving food. We have a person heading it up, but need people to help. (4-5 people needed)
2. 1 or 2 people to help with the food pantry box to help get the food to where it belongs. Crafters will be asked to donate 1-2 food items for the St. Vincent de Paul Food Pantry if they choose to do so.
3. Help on Friday, October 12th to space out the booth sizes for the crafters and put two chairs per spot. We will have between 50-60 crafters.
4. 1-2 people to help run the 50/50 raffle and be in charge of ticket sales.

Also if any of the parishioners who own a restaurant might be interested in catering the event/premade sandwiches, we would love to speak with them about possibly working out a menu for the event and to give us a quote.

Anyone who would like more information can contact Nancy Dobson at [nancbear@sbcglobal.net](mailto:nancbear@sbcglobal.net).

## CHILDREN'S BOOK DRIVE UPDATE

Thank you to all those who donated! Claire Ginn, an 8th grade at Lake Zurich Middle School South, organized a very successful book drive that has twice filled up 6 large crates here at the Ministry Center with children's books for Bernie's Book Bank. The book drive has come to a close, so we would like to thank everyone for their generous donations and support of this cause.

## ANNUAL CATHOLIC APPEAL

November 30, 2017

Dear Father Ryan,

Our Annual Catholic Appeal is framed in the words of Jesus: *Come, follow me*. It is an invitation to be Christ for others and to live in a community of discipleship. As Christ's community we help to sustain Catholic schools and parishes in need, support programs of religious education, ministerial formation, and promote the protection of life and peace and justice. Through the Annual Appeal, we together support the efforts of Catholic Relief Services that cares for people across the globe who struggle and suffer because of natural disasters.

Since St. Francis de Sales elected to participate in the ACA Incentive Plan in 2017, your 2018 goal is reduced to 75% of your regular goal. Therefore, your 2018 goal is 4.5% of the previous year's offertory income.

**Your offertory income for Fiscal Year 2016-2017 was \$2,036,797. Therefore, your target is \$91,656.**

When parishioner contributions exceed the parish goal, St. Francis de Sales will receive a rebate of 100% of the funds donated over the goal.

Just as you have my gratitude, you also have my prayers. Let us pray for one another. Together, as his disciples, we can do so much to bring Jesus to a world that is deeply in need. With God's grace and help, we will fulfill our mission.

Sincerely yours in Christ,

Cardinal Blase J. Cupich, Archbishop of Chicago

**Thank you to our 2017-18 eighth grade students for sharing personal stories of their experiences at St. Francis de Sales Catholic School. Over the two months, we will be sharing seven of these essays with you, which were read at Masses during Catholic Schools' Week in January 2018.**

### **ST. FRANCIS DE SALES: A JOURNEY, By Meredith Modelski**

St. Francis de Sales has shaped me into the person I am today, and there are many reasons why I value my educational experience at this school. It is very easy to take privileges for granted, but when I stop to think about the opportunities St. Francis has granted to me and so many other children, I learn to appreciate my educational experience even more. If a student attends St. Francis de Sales School, he or she will get a valuable education, will become prepared for high school, and will gain beneficial social skills and relationships.

One of the most important necessities people often overlook is a valuable education. Sure, all of us here have received some sort of education, but have the things you learned in school helped you to better yourself in the future? Hopefully, your answer is yes, but at St. Francis, you won't even need to hope; it is guaranteed that the information a student learns will help them later on in life. Not only do the children at St. Francis de Sales become well-rounded students from the diverse classes, but they will also learn at a pace that is right for them. With multiple levels of each class, students can understand and grasp information at a rate that suits his or her learning capabilities.

Keeping up good grades is highly praised at SFS. Since many students are taught to value the importance of keeping their grades up in elementary and middle school, they will be prepared to do the same in high school and in their years beyond. During my years at St. Francis, I have learned the benefits that come with caring about the work, time, and effort being put into school. Because of St. Francis' praise and encouragement to maintain commendable grade averages, I know that I will be determined to do just as well, if not better in my high school years, and years beyond. One positive thing about the grading scale provided at St. Francis de Sales School is that it is more stringent compared to other schools, so the students that attend SFS are likely to easily succeed when they are presented with a more lenient grading scale in the future.

Along with the education provided at SFS, the social skills and relationships that I've developed during my time at the school has had a positive effect on my life. Since the children at St. Francis de Sales range in ages from 3 to 14, I've learned to socialize with many different children of all ages. The sports and clubs offered at St. Francis have helped me make so many friends during my experience here. I am involved in many school activities, but one that has really shaped me as a person are the musicals. I always had a goal to be in the musicals ever since I was very young at St. Francis. Little did I know that I would end up creating so many friendships that would last forever just by being more involved. I developed a strong interest in singing, acting, and in general, entertaining just from being in the school musicals; they are always something to look forward to after the school day. Being in the

oldest grade of the school automatically makes the eighth grade role models for the rest of the school's students. This helps us to set a good example for the younger grades and to learn to be more aware of our actions. Since all children are welcome at St. Francis de Sales School, the students here are taught to be kind and accepting towards each other. Something that brings nearly every student closer together is the faith-based education. If you send your child to St. Francis, they will develop a closer relationship with God. Not all schools offer a religious education, but St. Francis de Sales School can help any student grow closer to his or her faith. When I came to St. Francis in first grade, I didn't know much about my own religion. Now as an eighth grade, I have a much better understanding of my religion, and I have grown closer to God throughout my journey at St. Francis.

(continued)

Some people believe there are too many sacrifices families must be willing to take if they are sending their children to St. Francis de Sales, but there are many more positive effects and benefits overall. Money is often a big concern, but the overall decision is worth it in the end and will benefit the student greatly in the future. I know that my parents feel they made the right decision when they sent me here, and they feel that the benefits of the great education outweighed any negative concerns. Another worry among incoming students of St. Francis may be that they will have to wear uniforms. Coming from a school that didn't have uniforms, at first I wasn't all that excited myself. I can now confidently say that uniforms actually have had a positive effect on my life at school. Uniforms reduce the amount of time it takes for students to get ready in the morning, and they can eliminate judgment that comes with comparing clothing.

Overall, by sending your child to St. Francis de Sales School, they will receive a valuable education, they will become prepared for high school, and they will gain valuable relationships and social skills. I feel so blessed to have had the opportunity to learn and grow here for the past eight years. It has taught me that I can accomplish by dreams and goals if I put my mind to it. As Eleanor Roosevelt once said, "The future belongs to those who believe in the beauty of their dreams." St. Francis has taught me to believe in the beauty of my own dreams and that I can accomplish anything. Children will thrive with St. Francis de Sales' positive environment that will benefit them for their entire life. I know I have, and all of the lessons I've learned here at St. Francis will stay with me forever.

### TOTUS TUUS 2018

We are excited to offer this summer program once again! Children will participate in four classes daily, attend Mass daily, learn the Mass parts and liturgical songs, participate in games, icebreakers, skits, songs, recess, and prayer. This program is for students entering grades 1-6 and will be held Monday, June 18 through Friday, June 22 at St. Francis de Sales Parish School.

The program will run from 9 a.m. to 3 p.m. daily, with 11:30 a.m. daily Mass. Bring a lunch and beverage each day. \$25 registration fee per child. Registration forms are available at the Ministry Center or you may download at [www.stfrancislzparish.org](http://www.stfrancislzparish.org).

Totus Tuus strives to help children stay consistent in their faith by reinforcing the important principles of the Catholic Church. Four college students act as role models. This process teaches children that being a witness to their faith in the world around them is a very realistic and worthwhile goal.
