## August 1, 2021: Eighteenth Sunday in Ordinary Time

"I can in no way approve the idea that a person obligated to a certain duty or vocation should distract himself by longing for any other kind of life but one in keeping with his duties or by engaging in exercises incompatible with his present state. To do so dissipates his heart and renders it unfit for its needed work." - St Francis de Sales

### THE BREAD OF LIFE

Today's Gospel has the crowd asking Jesus three questions. First, "When did you get here," to which Jesus responds by rebuking them for their failure to grasp his miracle as a "sign," an occasion to put faith in him. Their second question about accomplishing the "works of God" has Jesus respond that faith is the "work" that God wishes. Many scholars believe this is John's answer to the faith-works dichotomy emerging in the early Christian community. Faith is the work of God in the believer, John would have us understand. The third question asked by the crowd is a request for a "sign" that would allow them to put faith in Jesus, as the manna in the desert allowed the Israelites to put faith in the Lord God. Jesus answers by revealing himself as the "bread of life" that "comes down from heaven and gives life to the world." *copyright (c) J. S. Paluch Co., Inc.*

This column is curated by Mary Jo Kunzmann, Judy Reilly, and Nancy Jarvis with the hope that it will help you on your journey to grow as disciples of Jesus.

Jesus is the bread of life. Let us feed one another with hospitality. Intentionally see who is among us. Introduce yourself. How long have they been with us? Do they feel comfortable here? Who are they? Why have they chosen our parish? Are they visiting? What are their gifts, their interests? At St. Francis de Sales we ask: what can we do for you? We want something for each person instead of wanting something from them. When someone joins your ministry, meet them where they are. Make it easy for them to connect, to feel wanted.

## GOSPEL MEDITATION

### ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE

“You cannot see the forest for the trees” is a widely known saying that can bring wisdom to our understanding of our journey. Often, our sight becomes limited to what is immediately before us. We lose touch with lessons and experiences from the past and promises and hope for the future. As human beings, we have the privilege of being able to choose things. What I like and don't like, want, and don't want can be major preoccupations of our minds and hearts. Our preferences and desires begin to define us more than the simple fact of our being. Who we are matters more than what we are or what we have. If we don't move beyond the external and superficial stuff to what really is of essence, we risk becoming very unsettled, disorientated, angry, and unhappy. We fail to see the bigger picture of hope and promise that lies ahead and the Divine Presence that has sustained and carried us before.

We like it when the “now” time of our lives satisfy us. Even the people who witnessed Jesus feed the five thousand got confused and distracted. It felt good when thousands of people were able to eat. They wanted to know what they could do to get this to happen again! But Jesus quickly reminds them that this is not the point of this sign. As much as the now time of our lives is of concern, it is not what is ultimately important. We need to learn the difference between being and doing,

drawing more strength from who we are and who God is rather than what is happening around us and the choices we can make. Jesus is the true bread that came down from heaven. Jesus is the very incarnate presence of God who sustains life and assures us that we will not perish. This is not easy to understand and feel. We have to practice being in the presence of ourselves, others, creation, and God. We are brought to a holy place when we encounter the sacredness of being. This is real prayer.

Then, we learn to trust. It is when we cease trusting that we start to become afraid, uncertain, apprehensive, and doubtful, and overly self-concerned. We even start to grumble. God has our back. That

is the essential powerful message of the living bread come down from heaven. God, who is alpha is also omega, the beginning and the end, and has everything in between in his care as well. A woman once remarked that her most powerful God moment happened when she and her husband cuddled with their new baby for a time. Without exchanging words and using only the affection communicated through sight and touch, they rested in being with each other. This brought them to the sacred, where they realized that a greater Being was with them. It was real. They knew that they were part of something bigger, intimate, and profound. When we rest in the Living Source of life, we will find that our souls are no longer hungry or thirsty.

*Jesus said to them, “Amen, amen, I say to you, it was not Moses who gave the bread from heaven; my Father gives you the true bread from heaven. For the bread of God is that which comes down from heaven and gives life to the world.” - Jn 6:32-33*

## PRACTICING GRACIOUSNESS IN THE DESERT

Looking back over my journey of parenthood, I know there were days when I traveled the extra mile for my children. I made their toast the way they like it, let them play in the park an extra ten minutes, or let them go to the movies with their friends and I finished up the chores on my own. And then, it happened: the attitude. The request for the smallest thing from one of them is met with disdain or bewilderment.

Sometimes you can be made breathless with the ingratitude of another person who takes so much and with so little shame, only to scoff at the idea that they, too, give even the smallest amount.

But if we're being honest with ourselves, we will admit that we do the exact same thing to God. Haven't we all been the Israelites in the desert at one point or another? God has parted our Red Sea in some way. He's led us out of some great trial, given us some great blessings. But then we run into a little resistance somewhere along the way and we throw up our hands. How could you do this to us, Lord? How could you ask this of us? No, I can't go any further. No, I won't do any more.

Persisting in the blindness to the many ways God continues to protect us is nothing short of a temper tantrum. It robs our Everyday Stewardship of its graciousness, of our ability to accept with joy the trials of life because we are also constantly aware of its blessings.

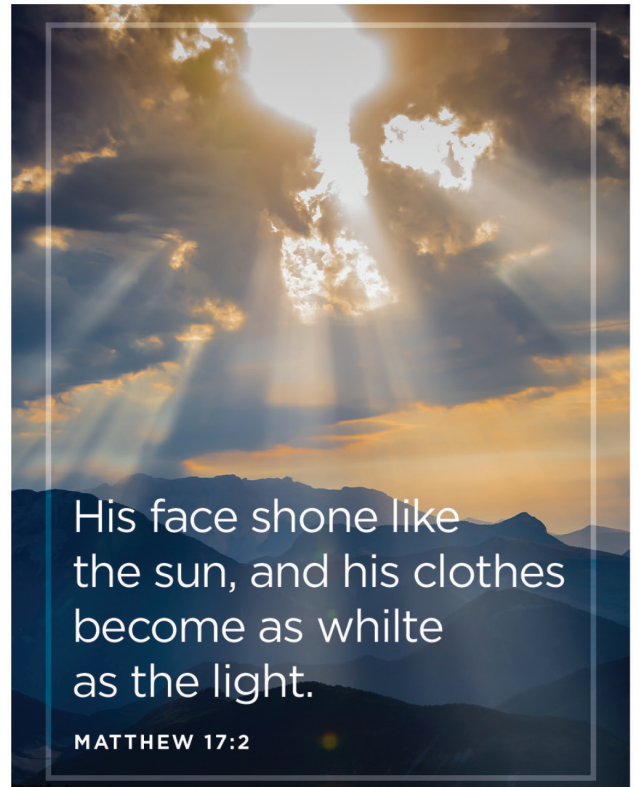

—Tracy Earl Welliver, MTS

## WHAT CAN I DO TO HELP OUR FAMILY PRACTICE OUR FAITH EACH DAY?

Some families practice their religion together as just another event on their schedule: go to church, observe Lent, help at the parish picnic, go to a meeting, volunteer time, make your confession, use your envelope... But the focus needs to be on who we are—God's people, in relationship with him, loved, forgiven, and redeemed, and called to live and proclaim the Gospel. Our awareness of God's presence and our sense of mission are supported by the daily rituals, celebrations, and traditions that help us stay focused. Sharing our faith strengthens us and clarifies the beliefs and values of Christian living.

Daily family practices include time for prayer—before meals, before bed, before important meetings and activities. Attend Sunday Mass together and discuss the homily afterward. Create family celebrations for holy days and holidays. Make religion a regular part of your discussions. Include others, especially the elderly and the less fortunate, in your activities and charitable efforts. By applying the virtues of faith, hope, and love to each day, faith becomes part of who your family is. It influences

how you act towards others, what you value, and how mindful of God you are. Faith is the leaven of life that helps all of us rise to our calling and dignity as God's people.

His face shone like the sun, and his clothes became as white as the light.

MATTHEW 17:2

## *Thank you Deacon George for your service to our Community*

Dear Fellow Parishioners

I hope you are enjoying the summer and some semblance of things returning to normal. I know many of you have been curious about my absence from St. Francis de Sales. Thank you for your concern. I am currently living in southern Wisconsin and doing fine. I apologize for the sudden nature of my departure especially during all the craziness of COVID.

The past six months have been a whirlwind for Toni and I, as we suddenly found ourselves selling our home in Hawthorn Woods and moving to Lake Geneva, Wisconsin. Of course this wasn't a bad thing but just quicker than we had expected.

This obviously affected my ministry as Deacon at St Francis de Sales. One reason this letter took so long to write was that I needed to determine next steps. I have recently discussed my situation with the Archdiocese of Chicago Diaconal office, Fr. Robert Heinz, and the Holy Spirit. With their guidance, I have decided to take a temporary leave of absence to discern where the Lord is leading me. I humbly ask for your prayers, too. Once my next parish assignment is decided, I will be sure to communicate this to the St Francis de Sales leaders.

It is with great regret that I was not able to officially say goodbye in person. Please know that my thoughts, prayers, and love will always be with you, the wonderful people of St. Francis de Sales. I have so many amazing memories to cherish in my heart. Throughout these past twenty years we have worked together in the vineyard of the Lord, singing, dancing, laughing and crying. Witnessing so much goodness and receiving so many blessings.

Thank you, thank you, for all that you have meant to me and all that you have given me and all that you have shared with me...your lives, your faith, your love. So until we meet again, may God hold you in the palm of his hand. (Sorry Fr. Ryan, I had to steal this one from you one last time!)

All my Love,

*Deacon George*

## SBA PPP LOAN APPROVAL

St. Francis de Sales qualified and applied for two federally funded SBA Payroll Protection Plan (PPP) Loans to help our parish navigate the impact from Covid-19. Bishop Robert Casey, Vicar General of the Archdiocese of Chicago, provided information on the PPP funds which we would like to share with our parishioners. Excerpts from his memorandum are included herein.

Parishes that received PPP funds did so because they met the criteria for the loans as outlined in the CARES Act. The Act required that the loans be used only for payroll and essential expenses such as utility bills. The funds helped to keep our staff in the Ministry Center and the teachers in our school employed during the pandemic and enabled the Church to provide much needed aid and services during this difficult time.

The loan submission process was handled by Cornerstone Bank which resulted in timely processing, approval and quick receipt of loans proceeds which we were grateful for.

**1st PPP Loan received: Apr. 15, 2020 for \$513,600.00**

**2nd PPP Loan received: Feb. 25, 2021 for \$513,607.00**

In short, our parish used the funds for which they qualified for the purposes the Act intended – payroll and essential expenses such as utilities.

In a year that has seen a sharp decline in parish revenues when our church building closed, the CARES Act PPP loans allowed our church and school to retain our staff, protected those employees from needing to seek unemployment and other benefits, ensuring that we could continue educating children and providing services and pastoral care to our congregation in this time of extraordinary need.

We are grateful for the support this program provided and also for the help from Cornerstone Bank in the processing of our loan applications.

## PPP LOAN FORGIVENESS -- UPDATE JULY 2021

St. Francis de Sales received approval from the SBA (Small Business Administration) and our bank, Cornerstone National Bank, granting full forgiveness of our 1st draw PPP loan in the amount of \$513,600.00. St. Francis de Sales will seek forgiveness of our 2nd draw PPP loan in the same amount as our first submission as we near the end of August, 2021. We are very excited and grateful to be granted this initial forgiveness and remain hopeful that subsequent forgiveness will also be granted for our 2nd draw PPP loan.

## Deacon's Corner

In a recent past Sunday, I delivered the homily at Church on Mother's Day. I have been thinking about it for the past few weeks and thought I might share it with you all to, perhaps, spark some thoughts in your minds relating to your mother. So here goes! The following has been modified to fit on one page.

What is a mom? Have you ever really thought about that questions? From the time we are born, our mother is all things to us. Moms are teachers, disciplinarians, cleaning ladies, cooks, gardeners, and some are nurses, doctors, chauffeurs and even our coaches. Mothers are developers of our personalities, molders of our vocabularies and shapers of our attitudes. Mothers are the soft voices saying "I love you" and most important of all, mothers are a link to God, our Heavenly Father. But what do I mean by this? I mean that our mother gives a child a first impression of God's love because a mother's love is as close to God's love for us as there is and ever will be in our lives. I could go on and on about what a mother is, but I am sure we all have our own understanding of what our own mother is to us and our lives.

So how can we pay proper tribute, how can we ever repay our mothers for all that they have done for us, all that they have sacrificed in their lifetime so we can have something better, so we can have a better life, so we can become closer to God. I know for me, it is keeping her memory alive in my heart. And perhaps some of you here today may have some unhappy memories of your mother, perhaps all times were not as good as you would have liked, perhaps your mother didn't allow you to do something you wanted to do and you were mad about that. I am sure that there are some experiences that we have had with our mother that were not always happy. But let me explain what I have come to understand in my life.

If we take all of the experiences of our past life, whether we are 12 years old or 75 years old, all of the ups and downs,

all of the bumps we encounter in our road of life, all of the curves in that road and look at where we are today, on this Tuesday, July 20, 2021 and we can say that we are happy with where we are today, then I must tell you that all of the past experiences, whether we deem them good or bad, are really good since all of those experiences of our past life put us in this place today. I know for me, I thank God every day for all of my past life. For the sadness of losing loved ones and for the joy of finding Jesus Christ in my life every day in a new way. For our lives are subject to change every moment, every day and realizing that God is all good, then these changes are good.

We have all heard the expression, "you can't teach an old dog new tricks", but I disagree with that statement. Our spiritual lives can be ever changing, ever evolving, getting better every day. All we have to do is open our hearts and minds to become one with Jesus Christ. To put our faith in Him. I know that this is something my mother taught me and my brother and sisters ever since I can remember learning anything. And for that gift from my mother, I am forever thankful. How about you? Do you have some special memories about your mother that left a special "thanks mom" in your heart? I am sure you do so whenever you feel down or need a "pick me up", think about that time with your mother.

I know that we all have blessings in our lives for which we are thankful and one of the most important blessings is our mother. Our mothers deserve our thanks and our love every day of our lives so let us at least take this day, and give special thanks to our mothers. Remember them in your prayers, whether they are still with you or with their Heavenly Father and, if you are able, tell them "I love you, mom".

My Blessings to all,

*Deacon John*

Michael the  
Archangel*

Saint Michael the Archangel, defend us  
in battle. Be our protection against the  
wickedness and snares of the devil. May  
God rebuke him, we humbly pray; and do  
thou, O Prince of the Heavenly Host, by the  
divine power of God, cast into hell Satan,  
and all the evil spirits, who prowl about the  
world seeking the ruin of souls. *Amen*
