

LIFE TEEN YOUTH MINISTRY

OPPORTUNITIES TO SERVE

CONFIRMATION PREPARATION CLASSES (APPROX 10X PER YEAR)

- Fully designed by Life Teen, leaders are able to review the materials and also have a leader meeting each month for creating community and helping to prepare for their small group discussion.
- There are also people who help set up the church before class and help at the front desk during the Confirmation nights.

LIFE TEEN MASS

- Music is a big part of the Life Teen Mass.
- Lyrics are projected during mass. We prepare the slides and also run the slides during Mass.

LIFE NIGHTS

These are open to all high school teens and occur almost every Sunday night after Life Teen Mass.

- Life Teen Life Nights are scheduled in advance and each team prepares, plans and presents a Life Night approximately every 5 weeks.
- Life Night small group leaders should plan to be at most Sunday night events.
- Food is brought in and served each week. Some weeks we have delivery and others we make our own.
- Setting up the environment for these evenings set the tone for the teen when they arrive after Mass. This is a great opportunity for creative people.
