to Saint
Michael the
Archangel*

Saint Michael the Archangel, defend us in battle. Be our protection against the wickedness and snares of the devil. May God rebuke him, we humbly pray; and do thou, O Prince of the Heavenly Host, by the divine power of God, cast into hell Satan, and all the evil spirits, who prowl about the world seeking the ruin of souls. *Amen*

GOD'S LIFE AND LOVE

Throughout the liturgical cycle of Sundays and seasons, there are certain days that invite us to focus on particular aspects of our faith. Today is such a day, when we celebrate the solemnity of the Most Holy Trinity. On this Sunday after Pentecost, we reflect on the mystery of our Triune God—Father, Son, and Holy Spirit. From the moment of creation, through the encounter of Moses with God on the mountain, through Christ's life, death, and resurrection, with the outpouring of the Holy Spirit, our understanding and appreciation of God's very life has unfolded and deepened. Jesus came into the world to make God's life and love known, the love of God, Father, Son, and Holy Spirit, the love of God that brings us peace.

We Bear the Name of the Lord

The name of the Lord is a curiously powerful thing. Say it deliberately, even in a group of people who are not particularly religious, and you'll know what I mean. There is a shift in the mood, a change in the atmosphere. When we utter the name of the Lord, He turns His head.

Once, in confession, I admitted to the sin of using the Lord's name in vain. "When you do that, tell God that you love him," advised the priest, who was wise enough to know that I would repeat this sin at some point. "You've said His name, after all. You have His attention."

We hear the name of the Lord, and we think of what it represents — John 3:16, salvation history summed up in a neat little sentence, the why and the how and the who of it all laid out before us. The Lord, so slow to anger that He offers us a million chances. The Lord, so rich in kindness and fidelity that He literally gave Himself to us that we might be saved.

But the name of the Lord is more than that. It is not just a symbol, it is an invitation. I think of Moses clutching the commandments, beseeching the Lord: "Come with us. Forgive us. Receive us as your own." The Lord accompanies us down the mountain. We bear the name of the Lord into the world with us wherever we go.

I have to ask myself: do I do that name justice?

*"Blessed is your holy and glorious name,
praiseworthy and exalted above all for all ages."
— Daniel 3:52*

Why do we do that? Catholic Life Explained

Question:

We live in a country that upholds the separation of Church and state. What is the role of Catholics in society?

Answer:

The role of the Church in the world has taken different forms over time, but the theme is the same. Be disciples in it! As the lay faithful — that is, not vowed priest or religious — we are called to live and love in the circumstances of our daily lives. St. John Paul II wrote a document about the laity. In it he wrote, "In their situation in the world God manifests His plan and communicates to them their particular vocation of seeking the Kingdom of God by engaging in temporal affairs and by ordering them according to the plan of God" (On the Lay Members of Christ's Faithful, 15).

God wants us in the hospitals, the board rooms, the law offices, the food pantries, and the little league games! We are to engage in the affairs of the world. But when we're there, we should live the plan of God. We need to respect those around us, engage in just business and legal practices, and love our children. We should care for the earth, use our money wisely, and get to know our neighbors. We must advocate for social policies that respect human dignity and human freedom. No matter our state in life, we are invited to build the kingdom of God!

Liturgical Life

God so loved the world that he gave his only Son, so that everyone who believes in him might not perish but might have eternal life. For God did not send his Son into the world to condemn the world, but that the world might be saved through him.

- Jn 3:16-17

Questions of the Week

Invite Parishioners to Reflect and Respond to Scripture

First Reading

At Mount Sinai, the Lord revealed himself to Moses as merciful, gracious, kind, and faithful. Do you see these positive traits in yourself?

Second Reading

In the closing remarks of his second letter to the Corinthians, Paul encouraged the believers in Corinth to live in peace and love with one another, modeled after the grace, love, and fellowship of our Triune God. Where do you think you most need to show peace and love with others this week?

Gospel Reading

Jesus taught his disciples that God loved the world and desired to save the world by offering believers eternal life. How do you think believers having eternal life saves the world?

ARCHDIOCESE OF CHICAGO

The Office for the Protection of Children and Youth (OPCY)

Archdiocese of Chicago's Response to Sexual Abuse of Minors

Early and Decisive

1991

Cardinal Joseph Bernardin convened lay commission to review the Archdiocese of Chicago's procedures for handling accusations of sexual abuse.

1992

The Archdiocese of Chicago put in place policies and procedures to address allegations and issues related to sexual abuse of minors.

The Archdiocese of Chicago created the first Office of Victim Assistance Ministry to provide direct outreach and support to victims-survivors and their families.

The Archdiocese of Chicago created an independent office (now known as the Office of Child Abuse Investigations and Review) to receive allegations of abuse of minors by clergy.

1993

The Archdiocese of Chicago's Independent Review Board convened to review allegations of abuse and to make direct recommendations of the accused clergy's fitness for ministry to Cardinal.

Comprehensive and Sustained

The Archdiocese of Chicago created the **Office for the Protection of Children and Youth (OPCY)** in 2003 to bring together the various ministries within the archdiocese that had been operating to ensure the archdiocese is a safe place for children. The following offices work together to stay current on preventing and responding to child sexual abuse:

Office for Assistance Ministry (OAM) personnel reach out and extend supportive services to victims-survivors from the moment they come forward with an allegation of clergy sexual abuse. This includes traveling throughout the country

Healing Garden at Holy Family Church in Chicago.

with personnel from the Office of Child Abuse Investigation and Review (CAIR) to meet with and listen to victims-survivors. OAM personnel also provide the opportunity for victims-survivors to get independent professional counseling from fully accredited therapists. Additionally, OAM personnel have worked in collaboration with victims-survivors to respond to their need for healing. This has led to the development of the Healing Garden, annual Mass for Hope and Healing and Pinwheel Service for Child Abuse Prevention, victim-survivor led peace circles, and the Healing Voices magazine. To date over 400 victims-survivors and family members have been served by OAM personnel.

Office of Child Abuse Investigation and Review (CAIR) is headed by a lay professional who provides a compassionate and thorough process for receiving and investigating reports of child abuse against archdiocesan personnel. Archdiocese personnel notify public authorities of all reports of possible abuse of any kind and from any date, regardless of legal requirements.

- The Director of CAIR serves as staff for the Independent Review Board, which is an advisory board for the Cardinal. The Board's main charges are ensuring the safety of children and determining a cleric's fitness for ministry. Over 230 recorded Board meetings have been held. The Board has determined 296 allegations of abuse to be substantiated and determined 75 allegations of abuse to not be substantiated.

Safe Environment Office personnel provide resources to educate archdiocesan clergy, employees and volunteers on how to prevent child sexual abuse, how to recognize sex offender behavior and how to create safe environments for children and youth.

Since 2003 more than 3,700 training sessions in the archdiocese have been held training more than 263,000 adults.

- Archdiocesan parishes and schools are required to provide valuable training to children and youth on how to recognize, respond and report grooming or abuse.
- Safe Environment Office personnel also screen, through name-based background checks, all clergy, employees and volunteers. Office personnel also receive and review fingerprint results for school personnel.

To report an allegation of abuse and/or neglect of minors, contact the Department of Children and Family Services (DCFS) Hotline at 800.25.ABUSE and/or contact your local police department. You can also contact the Office of the Protection of Children and Youth (OPCY) at 312.534.5254.

- All employees and volunteers who work with children and youth in the archdiocese must submit a CANTS (Child Abuse and Neglect Tracking Systems) Form.
- All employees and volunteers in the archdiocese must abide by the archdiocese's Standards of Behavior.
- The archdiocese requires Mandated Reporter Training for all clergy, school personnel, religious education personnel, youth ministers and coaches as part of the archdiocese's Safe Environment Compliance.

Priest Monitoring Program is the Archdiocese of Chicago's stringent monitoring program of clergy with substantiated cases of sexual abuse against them. These men have been withdrawn from ministry and are prohibited from presenting themselves as a priest. They are required to comply with numerous restrictions to provide safety for the community, the program participants, and the Church.

The Charter for the Protection of Children and Young People

The *Charter for the Protection of Children and Young People* was approved in 2002 by the bishops of the United States Catholic Conference.

The latest revision was approved June 2018.

The *Charter* reinforced what the Archdiocese of Chicago was doing by requiring all dioceses to:

- Heal and promote reconciliation of victims-survivors and their families;
- Make prompt and effective response to abuse allegations;
- Cooperate with civil authorities;
- Discipline offenders;
- Create a safe environment for children and young people through training and screening;
- Provide means of accountability for the future and to ensure the problem continues to be effectively dealt with through the **Secretariat of Child and Youth Protection** and the **National Review Board**.

Every year the Archdiocese of Chicago participates in an audit of the implementation of the *Charter's* requirements. Every year the archdiocese passes the audit.

May 23, 2023

Dear Friends in Christ,

From my earliest days as a bishop, I have dealt with allegations of child sexual abuse by putting the child at the center of my actions. In my experience, whether the abuse happened in the recent or distant past, the survivor speaks from the pain they suffered as that wounded and betrayed child. The Archdiocese of Chicago has long sought to heal them and prevent this crime from occurring again. I am personally committed to applying the highest level of vigilance to these efforts and to further strengthening our safeguards against abuse.

Today, Illinois Attorney General Kwame Raoul published a report (the Report) on his office's investigation of allegations of child sexual abuse against clergy in the six Illinois Catholic dioceses over a period of nearly 90 years. The Report addresses both how dioceses responded to such allegations in decades past and current policies that help ensure the safety of children and support the healing of survivors. We have not studied the report in detail but have serious concerns about data that might be misunderstood or are presented in ways that could be misleading. It is therefore important that we state what we know to be true. For example:

The Attorney General referenced 600 calls to his clergy hotline. To date not one has been referred to us for action – whether victim assistance, investigation or compensation. If any of the 600 calls contained an allegation it is important that it be made public.

The Attorney General claims to “disclose” 451 names of individuals with substantiated allegations. As to these names:

- 451 is all 6 dioceses and includes religious order priests and brothers.
- 451 includes the priests already on the 6 websites of these dioceses.
- All who pertain to and were known by the Archdiocese, were reported to civil authorities and “none were undisclosed, none were ‘hiding in plain sight’ since at least 2002.” In addition, in 2002, the Archdiocese did a look back, disclosing to the States Attorney all previous allegations found in its files.
- We do list religious found by their orders to be substantiated.
- 149 still “undisclosed” men are mostly religious order members who are not on our site; they are not undisclosed, and they are under the supervision and report to their respective order. Attorney General Raoul distinguished between dioceses and religious orders, saying “this was an investigation of the dioceses, not the orders,” recognizing they are different. However their totals include both.
- Attorney General Raoul said the Church is more worthy of investigation because it is a trusted religious organization. We think all children deserve to be protected regardless of whether they are cared for by a religious or secular institution; it isn't fair or wise to focus only on the Catholic Church, which

ARCHDIOCESE OF CHICAGO

has made the greatest strides in this area. • Statute of limitations: we offer care, compassion (pastoral outreach) and even compensation to all who come forward, regardless of the statute of limitations.

- Attorney General Raoul recommends outsiders being involved in overseeing our internal church investigations. We have had an independent review board with lay people overseeing these investigations since 1992, which is why the number of abuse incidents has dropped so dramatically.

We must think first of the survivors of sexual abuse who carry the burden of these crimes through their lives. On behalf of the archdiocese, I apologize to all who have been harmed by the failure to prevent and properly respond to child sexual abuse by clerics. Survivors will forever be in our prayers, and we have devoted ourselves to rooting out this problem and providing healing to victims.

For more than 30 years, the Archdiocese of Chicago has been at the forefront of developing and improving policies and programs to address the scourge of child sexual abuse and to support survivors. Our policies and procedures, first adopted in 1992, have served as a model for organizations and professionals dealing with this difficult issue. I hope the attention drawn to the issue by the Report will encourage those who work with minors to learn from our experience and take steps to protect all children from sexual abuse.

Here are some key facts about our efforts in the Archdiocese of Chicago:

- Since 1992, we have maintained one of the first and largest victim-survivor assistance programs in the nation. We provide assistance to anyone making an allegation, regardless of whether the accused is living or whether the allegation is substantiated.
- No cleric with even one substantiated allegation against him is in ministry in the Archdiocese of Chicago. When we learn of an allegation of abuse, we act promptly, report it to civil authorities, remove the accused from ministry and investigate the allegation. Allegations are submitted to our lay-majority Independent Review Board for investigation. In accordance with the U.S. Conference of Catholic Bishops (USCCB) Charter for the Protection of Children and Youth, clerics found to have committed even one act of child sexual abuse are permanently removed from ministry.
- The archdiocese has, to our knowledge, reported all allegations of child sexual abuse by clergy to civil authorities, including the oldest allegations. We report these allegations regardless of whether the accused is alive or dead, a diocesan priest, an extern priest from another diocese or a religious order priest. We consider an allegation to have been made even if the report is made anonymously, has incomplete facts (such as the name of the priest or parish) or is made by a third party, and we report all such allegations to civil authorities. It is important to emphasize that, to our knowledge, there are no "hidden," "undisclosed" or "unreported" allegations of child sexual abuse by the clergy of this archdiocese.
- Under our recently amended policies, allegations against deceased priests who have not yet been placed on our website list are processed by our Independent Review Board. If an allegation against a deceased priest is substantiated, the priest's name is added to the list.
- When an allegation of child sexual abuse involves a religious order priest working in a ministry of the archdiocese, such as a parish assignment, we remove the accused's faculties to minister in the archdiocese, contact the religious order and help facilitate the survivor's report. Every religious order with members living in the archdiocese is mandated to have a process for investigating such allegations.

ARCHDIOCESE OF CHICAGO

- Since 2006, we have published the names of diocesan priests with substantiated allegations of abuse on our website. In 2014, we published more than 20,000 documents from these priests' files. These documents remain on our website.
- We update our website list as needed and have expanded it to include the names of religious order priests whose order has substantiated an accusation against them and who have been assigned to a ministry of the Archdiocese of Chicago such as a parish.
- We conduct background screenings for archdiocesan clergy, employees and volunteers and implement a comprehensive safe-environment training program for adults and children. Over the last two years, we trained more than 112,000 children in an age-appropriate manner on how to recognize, resist and report abusive behavior. To date, we have trained more than 263,000 adults in 3,700 training sessions.

As is required by the USCCB Charter for the Protection of Children and Youth, (the Charter) we audit our parish and school safe environment programs every year and, in turn, the archdiocese's compliance with the Charter is audited by the USCCB.

- Additionally, we have worked in collaboration with survivors to respond to their need for healing. This partnership has led to the development of the Healing Garden, an annual Mass for Hope and Healing and Pinwheel Service for Child Abuse Prevention, survivor-led peace circles, and the Healing Voices magazine.
- We always seek to improve our child protection and victim support efforts. We have repeatedly had our processes, policies and files reviewed by independent experts to help ensure we remain current with best practices.

In addition to these steps, the Archdiocese of Chicago fully cooperates with law enforcement, including with the Attorney General's investigation. We have made our employees available for interviews and provided access to hundreds of thousands of documents. We are committed to continuously reviewing our policies and will carefully consider any changes recommended by the Attorney General. Indeed, the archdiocese has already implemented a number of recommendations the Attorney General made during the course of the investigation such as expansion of the parameters of our website list. More resources are available on our website at agresponse.archchicago.org.

I invite other institutions that care for children and civil authorities to join us in this work and consider adopting the procedures we have developed over the past three decades, so that all children are kept safe.

Let us continue to pray for all those harmed by abuse. Let us reflect the light of Christ for them and be messengers of His Good News to all we encounter.

I will continue to pray for you and your families as I remain sincerely yours in Christ,

Loving Outreach to Survivors of Suicide

Offering Hope and Healing for Those Who Mourn a Loss to Suicide

The Catholic Charities LOSS PROGRAM was started by Fr Charles Rubey in 1979 with 3 couples who had lost children to suicide. At that time, they would meet regularly in their homes. Today this program has spread throughout the Archdiocese and beyond bringing hope and meaning to those affected by suicide.

Open monthly group meetings will be held at the Parish and Ministry Center on the **3rd WEDS of EACH MONTH; 6-8pm.**

Anyone who has lost a loved one to suicide is invited to attend. ****Please register if you are new to this program by calling (312) 655-7283**

WWW.CATHOLICCHARITIES.NET/LOSS

Suicide loss is complicated and traumatic. Together we walk through this specific type of grief and offer each other support. A licensed clinician and a trained facilitator will run each meeting. No matter how recent or how long ago you experienced loss by suicide -all are welcome! Any questions, please call Tish Guinter (847) 293-4332

Next Meeting- Wed June 21st 6-8PM
