CHOICE

"If you choose you can keep the commandments," Sirach tells us. God "has set before you fire and water; to whichever you choose, stretch forth your hand" (Sirach 15:15, 16). This is a great mystery: God does not control us so completely that we cannot choose our own path. We have certain boundaries, of course, but no one but we can choose our way within those boundaries.

In today's reading from Matthew's Gospel, Jesus reminds us of our freedom and our responsibility for our lives. He calls us to look beyond the words of the commandments, all the way to their meaning. Look beyond the adultery to the selfishness that poisons our love. Look beyond the murder to the anger that eats away at our compassion. Look beyond the perjured testimony to the lies and deception that drive our behavior.

Our vocation is to choose life for ourselves, and to choose a path through our part of the world that helps make life possible and more abundant for others as well.

Excerpt from "Thirsting for God: Daily Meditations from Mother Teresa" by Angelo D. Scolozzi

Let us make our homes real places of love so that we can overcome any hatred. Love begins at home – everything depends on how we love one another at home. Do not be afraid to love until it hurts, because this is how Jesus loved. Help one another live in God's love and you will spread the fragrance of his love everywhere.

Annual Catholic Appeal FAQs

What does the Annual Catholic Appeal support?

The Annual Catholic Appeal supports parishes, schools, and ministries in the Archdiocese of Chicago as well as those affected by natural disasters around the world through the work of Catholic Relief Services. Funds raised from the 2018 Annual Catholic Appeal provided:

- \$4.7 million to lower-income parishes and schools. Proceeds from 2018 funded 76 parishes and 81 schools in the form of operating aid to these schools (i.e., operating grants, payroll loans, or unpaid bills).
- \$3.8 million to ministries across the Archdiocese
- \$0.5 MM to Catholic Relief Services and \$6.0 million
- \$6.0 million back to parishes in the form of rebates

Why are we changing the current structure of the Annual Catholic Appeal?

We are changing the current structure for the following reasons:

- The current rebate structure significantly benefits a small number of parishes in high-income communities. More than 50% of rebates went to just 25 parishes with strong household incomes. With more than 1/3 of the total funds raised going back to parishes in the form of rebates, wealthy parishes are disproportionately benefiting from an appeal meant to serve lower income communities.
- Parishes in lower-income communities struggle to benefit from the current rebate program. In 2018, only 34% of these parishes were able to achieve goal.

What are the updates to the Annual Catholic Appeal?

In 2020, for purposes of setting Annual Catholic Appeal goals, parishes whose average Household Income per U.S. Census data is below \$40,000 will have a new goal of 4% of offertory income. This includes approximately 20% of all parishes in the Archdiocese. Parishes whose average Household Income per U.S. Census data is above \$40,000 will have a new goal of 7% of offertory income.

This new structure will put rebates within reach for more parishes. It will also provide more funding for lower-income parishes and schools. This new structure is well in line with best practices at other large dioceses across the country, many of which include goals higher than 7% of annual offertory income.

There is also a new program in 2020 to share the costs of running the Appeal. In 2018, it cost \$1,459,233 to run the Annual Catholic Appeal, which is 8.8% of the total funds raised. These costs support necessary expenses such as postage, printing materials, gift processing services, and two Annual Catholic Appeal staff members. This is well within benchmark for an annual fund program. In 2019, those costs have also been reduced to \$1.2MM. These costs come directly out of the proceeds of the Annual Catholic Appeal, so every dollar

spent on costs is a one less dollar for lower-income parishes and schools.

In order to more equitably share costs, in 2020 a slightly revised rebate model will be introduced. 10% of all rebates after the first \$10,000 will go toward supporting the costs of the Annual Catholic Appeal. This model will not overly burden any parish while freeing up more donations to support lower-income parishes and schools.

Who provided input on these updates?

These updates were implemented with input from the Presbyterial Council, Vicars, Deans, and DVOs, as well as the Annual Catholic Appeal Advisory Committee, which includes pastors and Annual Catholic Appeal donors. In 2019, a small group of parishes also piloted an updated structure that included a three-tier system. Based on feedback from all these groups, a two-tier system is being introduced across the Archdiocese in 2020.

How will the new structure help more parishes and schools?

For lower-income parishes who have a 4% goal a rebate will be much more within reach. This will provide the parish with a better opportunity to achieve additional funds. Moving the goal from 6 to 7 percent for remaining parishes will allow a greater percentage of overall Appeal funds to be used at lower-income parishes and schools. A more equitable cost-sharing structure will also free up more funds to be used to support lower-income parishes and schools.

In the 2019 fiscal year, the Archdiocese provided \$19 million in operating aid to parishes and schools, an amount significantly higher than the net proceeds from the Appeal, so the need for Appeal funding is still greater than the amount it returns to the Archdiocese. These changes will enable the Appeal to better support needy parishes.

How are the goals established?

The goals are established as a percentage of each parish's annual offertory income (Sundays, Holy Days, Christmas, and Easter). Parishes in zip codes with less than \$40,000 in average Household Income per

U.S. Census data will have a 4% goal. Parishes in zip codes with more than \$40,000 in average Household Income per U.S. Census data will have a 7% goal. U.S. Census data is used to establish these goals because it is standard, consistent, and transparent.

Who can I contact if I have additional questions?

Thank you for everything you do to support the Annual Catholic Appeal. If you have any questions about these changes or anything regarding the Annual Catholic Appeal, please contact Barbara Shea Collins (312-534-7944 or bcollins@archchicago.org) and she will assist you.

 Archangel*

Saint Michael the Archangel, defend us in battle. Be our protection against the wickedness and snares of the devil. May God rebuke him, we humbly pray; and do thou, O Prince of the Heavenly Host, by the divine power of God, cast into hell Satan, and all the evil spirits, who prowl about the world seeking the ruin of souls. *Amen*

† Please Pray for the Sick †

As members of our parish faith community, we remember those who are ill, who are homebound, and all nursing home residents and ask for your prayers. Please call Fr. Ryan, (847)726-4723, or Ministry of Care, (847)438-6622, when a parishioner is in the hospital for visitation or to request the Sacrament of Anointing and/or Holy Communion. Please call the parish office when someone on this list has recovered, wants to remain on the list longer than 3 weeks or has gone to their eternal rest.
