**SUNDAY OF LENT**

"Lent is a new beginning, a path leading to the certain goal of Easter, Christ's victory over death. This season urgently calls us to conversion. Christians are asked to return to God 'with all their hearts' (Joel 2:12), to refuse to settle for mediocrity and grow in friendship with the Lord."

### THIRST

Each time today's Gospel story is read, I can't help but think of the many television commercials I've seen depicting perspiring athletes lifting a beverage to their lips while the scorching sun beats down on them. Our culture has definite ideas about how to quench thirst. Today, those ideas are turned upside down. The Samaritan woman operates, initially, on the TV commercial level. She asks Jesus for the flowing water so that she will not have to keep coming to the well. Jesus then talks about what real thirst is, and how he, and he alone, can quench that thirst. Lent calls us to find those places deep within ourselves where we thirst. In our thirst, as did the Israelites, we cry out to God asking for springs of living water. Deep down we know that only the Lord can satisfy these thirsts. Copyright (c) J. S. Paluch Co., Inc.

This column is curated by Mary Jo Kunzmann, Judy Reilly, and Nancy Jarvis with the hope that it will help you on your journey to grow as disciples of Jesus.

Excerpt from "Lenten Gospel Reflections" by Bishop Barron

First, Jesus teaches us to love the Lord your God with all your heart, with all your soul, with all your mind and with all your strength. Next, Jesus says, "You shall love your neighbor as yourself."

Why are these two loves so tightly connected? Because of who Jesus is. Jesus is not just a human being, and he is not just God. He is the God-man, the one in whom divinity and humanity come together. That's why it's impossible to love him as God without loving the humanity that he's created and embraced.

## Annual Catholic Appeal FAQs

### What does the Annual Catholic Appeal support?

The Annual Catholic Appeal supports parishes, schools, and ministries in the Archdiocese of Chicago as well as those affected by natural disasters around the world through the work of Catholic Relief Services. Funds raised from the 2018 Annual Catholic Appeal provided:

- \$4.7 million to lower-income parishes and schools. Proceeds from 2018 funded 76 parishes and 81 schools in the form of operating aid to these schools (i.e., operating grants, payroll loans, or unpaid bills).
- \$3.8 million to ministries across the Archdiocese
- \$0.5 MM to Catholic Relief Services and \$6.0 million
- \$6.0 million back to parishes in the form of rebates

### Why are we changing the current structure of the Annual Catholic Appeal?

We are changing the current structure for the following reasons:

- The current rebate structure significantly benefits a small number of parishes in high-income communities. More than 50% of rebates went to just 25 parishes with strong household incomes. With more than 1/3 of the total funds raised going back to parishes in the form of rebates, wealthy parishes are disproportionately benefiting from an appeal meant to serve lower income communities.
- Parishes in lower-income communities struggle to benefit from the current rebate program. In 2018, only 34% of these parishes were able to achieve goal.

### What are the updates to the Annual Catholic Appeal?

In 2020, for purposes of setting Annual Catholic Appeal goals, parishes whose average Household Income per U.S. Census data is below \$40,000 will have a new goal of 4% of offertory income. This includes approximately 20% of all parishes in the Archdiocese. Parishes whose average Household Income per U.S. Census data is above \$40,000 will have a new goal of 7% of offertory income.

This new structure will put rebates within reach for more parishes. It will also provide more funding for lower-income parishes and schools. This new structure is well in line with best practices at other large dioceses across the country, many of which include goals higher than 7% of annual offertory income.

There is also a new program in 2020 to share the costs of running the Appeal. In 2018, it cost \$1,459,233 to run the Annual Catholic Appeal, which is 8.8% of the total funds raised. These costs support necessary expenses such as postage, printing materials, gift processing services, and two Annual Catholic Appeal staff members. This is well within benchmark for an annual fund program. In 2019, those costs have also been reduced to \$1.2MM. These costs come directly out of the proceeds of the Annual Catholic Appeal, so every dollar

spent on costs is a one less dollar for lower-income parishes and schools.

In order to more equitably share costs, in 2020 a slightly revised rebate model will be introduced. 10% of all rebates after the first \$10,000 will go toward supporting the costs of the Annual Catholic Appeal. This model will not overly burden any parish while freeing up more donations to support lower-income parishes and schools.

### Who provided input on these updates?

These updates were implemented with input from the Presbyterial Council, Vicars, Deans, and DVOs, as well as the Annual Catholic Appeal Advisory Committee, which includes pastors and Annual Catholic Appeal donors. In 2019, a small group of parishes also piloted an updated structure that included a three-tier system. Based on feedback from all these groups, a two-tier system is being introduced across the Archdiocese in 2020.

### How will the new structure help more parishes and schools?

For lower-income parishes who have a 4% goal a rebate will be much more within reach. This will provide the parish with a better opportunity to achieve additional funds. Moving the goal from 6 to 7 percent for remaining parishes will allow a greater percentage of overall Appeal funds to be used at lower-income parishes and schools. A more equitable cost-sharing structure will also free up more funds to be used to support lower-income parishes and schools.

In the 2019 fiscal year, the Archdiocese provided \$19 million in operating aid to parishes and schools, an amount significantly higher than the net proceeds from the Appeal, so the need for Appeal funding is still greater than the amount it returns to the Archdiocese. These changes will enable the Appeal to better support needy parishes.

### How are the goals established?

The goals are established as a percentage of each parish's annual offertory income (Sundays, Holy Days, Christmas, and Easter). Parishes in zip codes with less than \$40,000 in average Household Income per

U.S. Census data will have a 4% goal. Parishes in zip codes with more than \$40,000 in average Household Income per U.S. Census data will have a 7% goal. U.S. Census data is used to establish these goals because it is standard, consistent, and transparent.

### Who can I contact if I have additional questions?

Thank you for everything you do to support the Annual Catholic Appeal. If you have any questions about these changes or anything regarding the Annual Catholic Appeal, please contact Barbara Shea Collins (312-534-7944 or bcollins@archchicago.org) and she will assist you.

# ARCHDIOCESE OF CHICAGO

***This message is for all priests and deacons in the Archdiocese of Chicago.***

Dear Brothers,

We continue to monitor with concern the questions that are arising about the spread of Coronavirus/COVID-19. As a matter of prudence, the following guidelines, based on guidance from the USCCB Committee on Divine Worship, are to be implemented in all parishes within the Archdiocese of Chicago effective immediately.

All Priests, Deacons, Altar Servers and Extraordinary Ministers of Holy Communion must wash their hands before Mass begins and use an alcohol based antibacterial solution before and after distributing Holy Communion.

Discern how to do this to best maintain the reverence of the Mass.

Ensure all vessels used at Mass, once purified, are thoroughly washed with soap and hot water after each use.

**During all Masses and liturgies:**

Refrain from physical contact during the Sign of Peace (note: the Sign of Peace can be exchanged without physical contact)

Refrain from distribution of Holy Communion to the faithful via the chalice (please consider options for any parishioners with celiac disease or sensitivity)

Given the frequency of direct contact with saliva in the distribution of Holy Communion on the tongue, every consideration should be given by each individual to receive Holy Communion reverently in open hands for the time being.

- Refrain from holding hands during the Lord's Prayer.
- Refrain from using Holy Water fonts.
- Assure the faithful that if they are sick or are experiencing symptoms of sickness, they are not obliged to attend Mass, and even that out of charity they ought not to attend.

Explain when the Church allows for you to miss Mass – Catechism 2181 allows for serious reasons like illness.

Make parish or bulletin announcements encouraging best health practices.

Finally, please join in praying for all those who are sick, and perhaps add a General Intercession at Mass for those affected by coronavirus and other communicable diseases.

Peace,

Bishop Ron Hicks

## **Coronavirus (COVID-19) Info & Resources**

*As of March 2, 2020*

The Archdiocese of Chicago is closely monitoring the news regarding Coronavirus/COVID-19 and actively planning for any potential circumstances. We are adhering to all guidance provided by the U.S. Centers for Disease Control and Prevention (CDC).

Below are guidelines from the CDC for individual preventive measures and travel guidelines, as well as liturgical considerations, based on guidance from the USCCB Committee on Divine Worship, to be implemented in all parishes within the Archdiocese of Chicago until further notice. Included at the bottom of this message are links to the public health information sources - please follow the guidance of those sources for employers and schools and keep updated as conditions and best practices can change.

**Individual Preventive Actions**

- Stay home when you are sick and if you have a fever, stay home for at least 24 hours after your fever is gone.
- If you or a member of your household have traveled to any of the Level 2+ countries (per the CDC China,

Iran, Italy, South Korea, Japan as of March 2, 2020) between February 10, 2020 and today, alert your direct supervisor or principal so your workplace or school may take appropriate precautions (note: supervisors will receive information on how best to follow up).

- Wash your hands often with soap and water for at least 20 seconds. Use an alcohol-based hand sanitizer that contains at least 60% alcohol if soap and water are not available.
- Avoid touching your eyes, nose, and mouth with unwashed hands.
- Avoid close contact with people who are sick.
- Cover your cough or sneeze with a tissue, then throw the tissue in the trash immediately and not on any hard surface. If tissues are not available, cough or sneeze into your sleeve.
- Clean and disinfect frequently touched objects and surfaces.

- Eliminate open sources of shared snacks and food in the workplace.
- Stop shaking hand.
- We will distribute additional hand sanitizers at the entrances of and throughout the Pastoral Centers, and we will make anti-bacterial wipes available in all conference rooms and lunchrooms. We respectfully request that everyone use these regularly. We advise parishes, schools and agencies of the archdiocese take similar precautions for their workspaces.

**Liturgical Celebrations**

- All Priests, Deacons, Altar Servers and Extraordinary Ministers of Holy Communion must wash their hands before Mass begins and use an alcohol based anti-bacterial solution before and after distributing Holy Communion.
- Discern how to do this to best maintain the reverence of the Mass.
- Ensure all vessels used at Mass, once purified, are thoroughly washed with soap and hot water after each use.

**During all Masses and liturgies:**

- Refrain from physical contact during the Sign of Peace (note: the Sign of Peace can be exchanged without physical contact)
- Refrain from distribution of Holy Communion to the faithful via the chalice (please consider options for any parishioners with celiac disease or sensitivity)
- Given the frequency of direct contact with saliva in the distribution of Holy Communion on the tongue, every consideration should be given by each individual to receive Holy Communion reverently in open hands for the time being.

- Refrain from holding hands during the Lord's Prayer.

- Explain when the Church allows for you to miss Mass - Catechism 2181 allows for serious reasons like illness.
- Make parish or bulletin announcements encouraging best health practices.

**Travel-Related Recommendations**

- Given the frequency of direct contact with saliva in the distribution of Holy Communion on the tongue, every consideration should be given by each individual to receive Holy Communion reverently in open hands for the time being.
- Refrain from holding hands during the Lord's Prayer.
- Refrain from using Holy Water fonts.
- Per the CDC and actions being taken by other organizations, any travelers who enter the United States after being in a level 3+ country on the CDC's travel advisory list (China, Iran, Italy, South Korea, Japan as of March 2, 2020) during the past 14 days should restrict their movements. If you are a recently-returned traveler from one of those countries and have not already been quarantined by government agencies upon return to the U.S., you are asked to closely monitor your health and practice social distancing for 14 days (note: social distancing = 6 feet or more between you and anyone else).
- All non-essential, work-related travel to level 2+ locations (per the CDC). is suspended. Please consult with your direct supervisor to best determine actions to cancel or adjust work-related travel plans.

## Catholic Schools Week

# Saint Francis de Sales School

The other weekend a few 8th Graders from our 2007 & 2018 Blue Ribbon School shared their essays with our Parish after Holy Communion at each of the Masses on Saturday and Sunday.

*Great job, students!*

Charlotte Rosenbaum

Hello my name is Charlotte Rosenbaum. I'm in eighth grade at St. Francis de sales. I have been at St. Francis since three year old preschool. There are many things that are great about St. Francis. Some of these things are faith, community, and friendship.

Faith is a wonderful gift that you get at St. Francis. We go to mass on Wednesday to learn and answer questions about our faith. My favorite part about Wednesday Mass us Father Ryan asking questions about the Scriptures, the vestments he wears, Saints, Sacraments, and choirs of angels. If you answer a question correctly, Father Ryan gives you a 3 musketeer bar. You would be the luckiest kid alive if you got a candy bar. It is like pure gold. When we say the Our Father, the school moves out of the pews to join hands with the other classes. This is how we show our faith tighter. Another way we learn our faith is by alter serving. The altar servers help Father Ryan prepare the Mass. We also help serve funerals and weddings. Alter serving teaches me responsibility. There is another way we show our faith. Each class is assigned a mass or two to host. The entire class helps create a slideshow or video about a saint, the Readings, and the Gospel to show at the Wednesday Mass. The host class then chooses a person to read one Reading, petitions, and carry the gifts to the altar. This is another way everybody can participate in the Mass and profess our faith as a class. We also pray every day at St. Francis. We pray in the morning, before lunch, and at the end of the day. In the morning, we say the Hail Mary, and Our Father, or anther prayer. Before lunch we say grace. At the end of the day, the members of Student Council say a prayer. The whole school stops what they're doing and prays together.

At St. Francis there is a sense of community that is like no other. We know almost everybody, welcome new people, and have school wide assemblies that bring us together. Knowing everybody at school leads you to have a stronger sense of community. We know each other's names and say hi in the hallway. We also say hi to our teachers. We help each other and look out for each other. A stronger community gets built by knowing one another and helping if someone needs it. If there is a new student, we welcome them and try to make them as comfortable as we can. I remember a new student came at St. Francis in 6th grade. I was one of the kids that welcomed her and helped her transition to our school. She and I are good friends today. To build a school

community, we also have school assemblies, which bring us all together. Examples include the speech contest and the play. For the speech contest, 1st through 8th graders participate. Judges hear each speech and decide who gets to perform their speech in front of the school. The speech contest is an opportunity for people to learn the skills of public specking. I used to be afraid of public speaking, but now because of the speech contest I am more confident in myself. The speech contest has made me comfortable with giving presentations. The play is another wonderful all school assembly. The students in the sixth through the eighth grade put on a school play. The students in the sixth through eighth grade put on the school play. The students in the play work for months to perfect it. Everyone in the school gets excited to see the play when it comes time to preform it. When I think about the play, I get sparks of joy. I get so excited to perform for everyone. I love the community of the play.

Friendships are another wonderful thing that I have at St. Francis. I have many happy memories because of my friends and teachers. When I started three year old preschool, I had no idea that my friends from preschool would be my friends in eighth grade. One of the friends that I have has in fact, known me since preschool. We were best friends then and we are best friends now. And even though I will be going to a different high school, I'm sure we will always be friends. I have had some amazing teachers at St. Francis. One of my favorite teachers was Mrs. Gusmano. She was my 2nd grade teacher. Every day we would gather around her chair and she would read to us. She was the first person to encourage my love of reading. She made reading interesting and fun. Teachers at ST. Francis are really caring and they push us to do our best. They teach us to be friendly, respectful, and nice. These things help me to do well in and out of school.

St. Francis holds a special place in my heart. When I think St. Francis, I will remember a place that helped me grow and learn, and become a better me. I will remember the wonderful teachers and friends that I made while I was here. Thank you to the parishioners and people who support our school. You have no idea how much I appreciate you. Thank you Father Ryan, who has helped me learn about my faith. And thank you Mom and Dad for choosing St. Francis for our family. St. Francis will always hold a special place in my heart.

*You may not have personally had an abortion but come because of a friend or loved one who has had an abortion, perhaps a student of yours, a college roommate, or someone you counseled who had an abortion that affected you. A baby's grandmother, or a spouse or a partner who is grieving may come. People come for many different reasons that they have been affected by abortion. Sometimes people come to be trained as lay ministers to help others. Everyone is welcome, whatever your reason.*

*a Prayer  
 to Saint  
 Michael the  
 Archangel*

Saint Michael the Archangel, defend us  
 in battle. Be our protection against the  
 wickedness and snares of the devil. May  
 God rebuke him, we humbly pray; and do  
 thou, O Prince of the Heavenly Host, by the  
 divine power of God, cast into hell Satan,  
 and all the evil spirits, who prowl about the  
 world seeking the ruin of souls. *Amen*

† Please Pray for the Sick †
