Jesus observed how the crowd put money into the treasury. Many rich people put in large sums. A poor widow also came and put in two small coins worth a few cents.

### THE CALL TO DISCIPLESHIP

The core vocation in the Gospel of Mark is the vocation, or call, to discipleship. Today's Gospel passage provides us with one last example of what the vocation to discipleship means, and one example of what it doesn't mean. A destitute widow shows us that discipleship means following Jesus' way of service, even if it requires giving one's livelihood (or life). The scribes show us by their bad example that discipleship should entail a vocation to extend God's care to those who are most in need.

In our reading from the book of Kings another widow and her son are close to death. They too give what little they have, but they are rewarded by Elijah with food enough for a year. And the reading from the Letter to the Hebrews reminds us that Jesus sacrificed his life "to bring salvation to those who eagerly await him" (Hebrews 9:28).

Mr. Kyle Schmitt  
Principal, St. Francis De Sales School  
11 South Buesching Road  
Lake Zurich, IL 60047-2596

Dear Mr. Schmitt,

It is with great pleasure that, even though attending the Synod of Bishops in Rome, I want to offer you my congratulations on being recognized by the U.S. Department of Education and awarded the prestigious Blue Ribbon Award for the second time. This award reflects the outstanding work of the students, teachers, staff, families, and supporters of St. Francis De Sales School. Know that I, and all the people of the Archdiocese, share in the joy of this important accomplishment.

Academic excellence is a hallmark of our Catholic schools. Indeed, the Archdiocese of Chicago has received more Blue Ribbons than any other school district, public or private, in the United States. As two-time recipients of this prestigious award, St. Francis De Sales School and its community embodies excellence in academic instruction along with spiritual and moral formation for students. Your success in providing the very best academic and religious curriculum is truly commendable.

May St. Francis De Sales School find joy and satisfaction in this award as you continue to prepare students to live successful and responsible lives, as faithful disciples of the Lord committed to the service to others. Please convey my gratitude to your school and parish community and accept my best wishes and promise of prayers for you and the entire St. Francis De Sales School community.

Sincerely yours in Christ,

*Cardinal Blase J. Cupich*  
Archbishop of Chicago

## PARISHIONER TESTIMONIES

*Yes, Virginia. Miracles Still Happen!*

I have often felt disappointed that I didn't have a closer personal relationship with our Lord. I hear other people talk about being closely connected to Jesus on a daily basis. I pray but don't seem to get a response. Am I doing something wrong? Why isn't my prayer life more fruitful? Can't Jesus give me a sign that He hears me?

In mid-September I had a chest x-ray in a regularly scheduled physical that discovered a nodule in my upper right lung. A quick series of medical tests resulted in surgery to remove the nodule (no one says the word that begins with the letter "c" but everyone knows that there is a risk of cancer) on October 2nd. As I lay in recovery and regained consciousness from the anesthesia, the surgeon said all was well, and the nodule was benign. Praise Be to God!

However, the story takes a strange turn at this point. Much to the bewilderment of an experienced surgeon, the nodule was identified as a coccidioidomycosis fungus which is commonly called "Desert Fever". It affects about 100,000 people annually living in a dry, desert-like climate – 60% of the cases arise in the greater Phoenix area. While my surgeon has seen this fungus in Chicagoland, these patients are "snow birds" who spend a considerable amount of time in Arizona during winter. However, while I travel for business, the last time I visited Arizona was 10 years ago. The spores of the fungus do not travel far in the air and are not contagious from an already-infected individual.

Because of the mysterious cause of this illness, we agreed I should seek counsel from an infectious disease specialist as a follow up. Reviewing the paper work, the specialist initially thought that the pathologist mis-diagnosed the nodule and personally did a second analysis of the nodule removed from my lung. He confirmed Desert Fever. He has seen this fungus in the Midwest but only in patients who are either snow birds or are lab technicians who accidentally expose themselves to the spores and become infected.

So, how did I contract a disease that modern medical science says it is impossible to contract? The

answer came to me at about 1 am in bed: maybe it was the Holy Spirit in action. In answer to my prayers, my family's prayers, and the prayers of many in the St. Francis community, the Holy Spirit turned a potentially serious cancer into a harmless nodule. Sound impossible? If God created the universe and can turn ordinary bread/wine into the Body/Blood of our Lord Jesus Christ, changing the molecules of this nodule is no big deal. The Holy Spirit, however, has a sense of humor and turned the nodule into a fungus that is scientifically impossible for me to contract! It's like the Holy Spirit saying, "you wanted a sign that your prayers are heard and answered, Raymond – well, here it is."

There is one last part to this story. I saw my personal physician in Lake Zurich following my meeting with the specialist. He told me that he had several phone conversations with the surgeon prior to surgery and that the pre-surgery prognosis was not optimistic. After the exam, he left the room but returned about 30 seconds later. Standing at the door, he said "I don't know if you are a religious man, but you are very lucky and have just been given a second life. God must have something very important for you to do." My doctor is Jewish and a good friend.

The whole saga of my illness has been very instructive. It taught me that prayers do matter. Also, there are miracles happening around us every day, but we need to open our hearts and minds to their existence. It also taught me that it is not possible for us to know God's plan for us. We just need to trust Him, listen to the seeds He plants in our souls (even at 1 am in the morning), and treat every day as a gift that should be shared with others. Amen?

Again, my most heart-felt thanks to everyone who kept me in their prayers. A special thanks to Father Ryan who, with Deacon John, anointed me in the sacristy prior to surgery. And, of course, to my very special wife, Pam, who was at my side – physically and spiritually – throughout the ordeal. THANK YOU!

May God bless you all,

*Ray Urban*

#### ABOUT THE DIRECTOR - BENJAMIN VALLE

Passionate about music from a young age, Benjamin grew up playing piano, guitar, and singing as much as he could. He studied music for a year at the University of Illinois prior to setting his music studies aside to pursue a degree in Theology at Franciscan University of Steubenville. He has worked as a youth minister in the Archdiocese of Chicago for the past five years in addition to leading worship for churches and events in the diocese. You may have seen him on occasion at Saint Francis de Sales as an accompanist and he looks forward to working with the Youth Choir this Christmas season!

**A PRAYER FOR RENEW MY CHURCH** Lord Jesus, you speak to us today, as you spoke to holy men and women who have gone before us. In every age and in our own time, you call to us and say: Renew My Church. Pour out the gift of your Holy Spirit upon us, and so enable us to hear you clearly; to listen to each other attentively; to imagine our future boldly; to discern your direction wisely; to persevere in your holy will courageously; to stay together in charity; to surrender our own plans readily to embrace the greater good; to hand on your gifts to future generations. May we remain in the holy company of the Blessed Virgin Mary, the apostles, and all the saints. May their example and presence inspire us with patient confidence in the work of your grace. We ask this of you who live and reign with the Father in the unity of the Holy Spirit, one God, forever and ever. Amen.

**SIGN UP NOW**

We also ask that you purchase a Jewel or Walmart gift card for each member of the family so that they may select their own Christmas meal. Or sponsor an individual - Choose a resident from Mt. St. Joseph or make a cash donation for residents at Lexington. Gift cards for food are not necessary, but a gift ensures an elderly person will be remembered during this holiday season. **PROVERBS**  
**19:17 PROJECT**

Michelle Roesner, one of our many teens in this parish, was given a nudge in August of 2017 by God to embark upon a journey to create a project that would impact many homeless in Chicago. Ever since Michelle was little she has felt the desire to help the homeless. When God called her to create a project to do exactly that, Michelle responded with a resounding yes and began to prepare what she calls the "Proverbs 19:17 Project." This project will provide as many of the 64,000 homeless adults and 48,000 homeless children in Chicago with basic supplies to help them as we move into colder months. Michelle plans to create Care Kits consisting of non-perishable and protein filled food, water, blankets and basic hygiene products. While it is impossible to provide every single homeless person in Chicago with these Care Kits with solely one trip into the city, Michelle plans to reach as many of them as she can. She plans to speak at all of the masses on the weekend of **November 17th and 18th** in order to reach out for donations for her project. Below you can find a QR code to a survey that she has created in order to view how many people will be able to donate. She will also be in the gathering space after all of the masses on the weekend of November 17th and 18th in order to provide paper copies and answer any questions. Please pray for her, the homeless she will help, and all who volunteer.
